

The Chartis Group Named One of the Top 25 “Best Places to Work in Healthcare” for Third Year in a Row

Modern Healthcare recognizes outstanding employers in the healthcare industry

Chicago, IL, October, 10, 2017 - The Chartis Group, a comprehensive healthcare advisory and analytics firm, has been selected as one of Modern Healthcare’s Top 25 “Best Places to Work in Healthcare” for 2017.

This annual award, now in its tenth year, recognizes providers and suppliers throughout the healthcare industry that empower their employees to provide patients and customers with the best possible care, products and services. Results are based on employee responses to an employee engagement and satisfaction survey.

“We feel privileged to be recognized again this year as an exceptional place to work in the healthcare industry,” says Shannon Brownell, Chief Talent Officer of The Chartis Group. “As we celebrate the Modern Healthcare distinction, we reflect on what makes Chartis unique: our extraordinarily talented colleagues, bound by a shared mission and deep commitment to our clients and each other. Every day, our colleagues work together to ensure that Chartis remains a firm where we love what we do, who we do it with, and who we do it for.”

A complete list of award recipients for the 2017 “Best Places to Work in Healthcare” is available on Modern Healthcare’s website. Rankings were announced at the awards gala Sept. 28 in Las Vegas.
