## **iXerv Announces Expansion of SAP® SuccessFactors® Services in Latin America**

### ***SAP SuccessFactors partner to offer localized Employee Central and Employee Central Payroll services and support across the region***

SAN ANTONIO (October 17, 2017) – iXerv, a global provider of implementation and strategic services for SAP SuccessFactors, announced today that it is expanding its operations and service offerings in Latin America (LATAM). The expansion allows iXerv to increase the resources as well as the localized skills, services and support it currently offers across the region.

iXerv Latin America will be headquartered in Miami, Florida. With the expanded presence, iXerv also plans to establish regional centers of excellence in Mexico, Colombia, Brazil and Argentina. Each center will bring local language, business and cultural expertise and knowledge to SAP SuccessFactors customers in the region.

"A local presence is crucial in the Latin American market," said Joseph Ramos, Chief Executive Officer Latin America, iXerv. "To succeed in this market, you must not only have deep SAP SuccessFactors experience, but you also must understand the intricacies of local payrolls, regulations, human resources practices and local cultural and legal matters. iXerv is well positioned to handle the needs of LATAM customers," added Ramos.

Founded by HCM industry leaders, iXerv has quickly established an exceptional reputation for its emphasis on and commitment to SAP SuccessFactors Employee Central and Employee Central Payroll across the Americas, Europe, UK, Africa and the Middle East.

"iXerv has an excellent track record and strong partnership with SAP in Latin America and this announcement signals our increased investment and commitment to the region," said Luke Marson, Chief Executive Officer Americas, iXerv.
