

## “STAND UP!”

**BRAND NEW MUSIC FROM VIDALIA WILL BENEFIT MILITARY AND VETERANS.**

*Country act VIDALIA releases their new single “Stand Up!” on Veteran’s Day.*

- “WE’VE GOTTA COME TOGETHER & FIGHT, RIGHT NOW...”

**BATON ROUGE, LA** - Nov. 10th, 2017 - **VIDALIA** has created a powerful new blend of music combining the ingredients of swampy waters and red dirt roads. Beginning 10 years ago as demo sessions from the pen of songwriter Ronnie Calhoun & producer/musician Matt Tortorich, 11 songs about southern life like Billboard Heatseekers Chart hits “Louisianne” & “Swamp Assassin” were created. Now 10 years later with new singer David St. Romain and the hot sounds of bandmates Jared Daigle on guitar & Karl Boudreaux on drums, Tortorich & Calhoun have strategically put together a musical masterpiece. “**STAND UP**” gets you on your feet.

The band has stated that all proceeds from sales of the song will be donated to American Military and Veteran organizations.

The hard-hitting anthem has received praise from fans and radio programmers alike, already racking up over 30,000+ views on the Facebook lyric video in the two weeks ahead of its release.

“VIDALIA has done it again with a song that shows the power in David St. Romain’s vocals and the powerful talent of this group as a whole.. What a powerful statement in a song..” - **James Gilmore (100.7 The Tiger)**

“... a message that we all need to hear right now. It's a message that we can rally around.” - **Tim How (99.9 FM Fargo-Moorhead)**
