

**Smile Brands Honored as one of the
Best Places to Work
Glassdoor Employees' Choice Awards**

Irvine, CA December 6, 2017 — Smile Brands Inc. has been honored with a [Glassdoor Employees' Choice Award](#), recognizing the Best Places to Work in 2018. The Employees' Choice Awards program, now in its 10th year, relies solely on the input of employees, who elect to provide feedback on their jobs, work environments and companies via Glassdoor.

Smile Brands, a leading dental support organization with over 350 affiliated practices across 15 states, has a deeply rooted culture founded in the company's mission to deliver Smiles for Everyone®. Co-founder and CEO, Steve Bilt has a 97 percent approval rating on Glassdoor.

“Dentistry is a people business and it's undeniable that when employees are aligned around a common mission, patients benefit,” explains Bilt. “To be named one of Glassdoor's Best Places to Work is a validation of our operational model which is based on the premise that good things happen when everyone has a reason to smile. I believe that culture should be on top every CEOs agenda if they care about attracting and retaining talented employees.”

On [Glassdoor](#), current and former employees of companies worldwide can share insights and opinions about their work environments. When sharing a company review on Glassdoor, employees are asked to rate their satisfaction with the company overall, and key workplace factors like career opportunities, compensation, benefits, work/life balance, senior management, as well as culture and values. In addition, employees are asked to describe the best reasons to work at their companies as well as any downsides.

The Best Places to Work are determined using company reviews shared by U.S.-based employees between November 1, 2016 and October 22, 2017. To be considered for the large category, a company must have at least 1,000 or more employees and have received at least 75 ratings. The final list is compiled based on Glassdoor's proprietary algorithm, and takes into account quantity, quality and consistency of reviews.
