Embassy Suites by Hilton Temecula Valley Wine Country Celebrates Grand Re-Opening

Temecula, CA- December 12, 2017 – The newly renovated Embassy Suites by Hilton Temecula Valley Wine Country recently celebrated its grand re-opening. The festivities included an official ribbon-cutting ceremony followed by an upscale reception.

Toys for Tots Marines were on call for the occasion to help raise money for children in need this Christmas season. Newly appointed Director of Sales, Kristin Frame excitedly explained, “Attendees and community members were able to buy a toy for \$10 to donate to the cause. We had incredible results. It is such a great feeling to give back to the community.”

Guests participated in guided tours of the beautiful new meeting rooms, modernized two-room suites, outdoor courtyard patio and pool. The attendees upon conclusion of the tour were taken to the beautifully updated Champagne Ballroom where they were greeted with a live band playing soft Jazz music and were invited to indulge in beverages, a succulent brisket carving station, creative delightful desserts, raffle and prizes.

Victor Morgenroth, General Manager stated, “It was great to see all of the support of community leaders and businesses. We were very appreciative of having several of our local Temecula Valley wineries -Wilson Creek, Oak Mountain and Bel Vino - present pouring their Wine to our attendees as well as Refuge a local brewery.” He went on to say, “the staff really worked hard throughout the hotel’s renovation process and

overcame many difficult obstacles to successfully service our guests so to be able to celebrate with them this incredible accomplishment is a great moment.”

“The extensive renovation channels modern sophistication and encompasses fresh, innovative enhancements and technology,” states Victor. “Our 176 two-room suite updates include new beds, sleek fixtures and furnishings, modern carpet, secure window treatments, bright lighting, new appliances and revitalized bathrooms including the vanities.”
