

Who We Are & What We Do

Current Music is a new company focused on scoring for films, television shows and marketing campaigns. We also produce original songs for artists as well as media. With over 50 years combined experience, Maddie Madsen, CEO and Christian Salyer, COO have completed over 300 albums of production music, building unique brands for companies like Universal, Warner Chappell, Blazed Out Music, Ear Parade and Ole. We have also produced songs and network theme songs for several Major Feature Films, Disney Channel, The Golf Channel, Toyota, Old Navy, NBC, NBC Sports, Fox Sports, Comcast, Disney XD, Lionsgate TV, Unilever, and The Lakers. Current Music recently scored our first TV series (Venom), a Feature Film (Knucklebones) and created all of the sonic branding, including the sonic logo, for the cross-platform Fitness Network RADIUS.

Sync Different!

To diversify your productions, we exclusively represent 25 carefully chosen, highly diverse, world class music catalogs, encompassing over 60,000 tracks. This allows us to offer exceptional and unique scores for scripted and unscripted television series, new media content, films, advertising and video games. Leaning heavily on the teams' rap, hip hop, pop and EDM strengths, the combination of originally composed themes, custom songs and scoring with big band, classical, opera, ethnic music, archival music and other hard to find pieces, give any production a truly original sound while keeping your costs in check.

Why We Are Unique

Our composers and artists are **EXCLUSIVE** to us for Film/TV/Advertising music and do not write for other Music Libraries, either. Our artists have worked with Dr. Dre, Ellie Goulding, Lil Wayne, Beyonce, Celldweller, Madonna, Tyrese, Babyface, Michael Jackson, Brandy, Busta Rhymes, Kelly Price, David Bowie, JoJo, Seal, Mary Mary, Paul Oakenfold, KRS-One, Kelly Rowland, David Banner, Fantasia, The Crystal Method, Kevon Edmonds, Marc Nelson, Harvey Mason, Howard Hewett, Dawn Robinson, Freddie Jackson, and Disney star Ross Lynch (R5).
