Pfau Cochran Vertetis Amala PLLC Establishes Amtrak Victims Relief Fund - DuPont

PCVA Law, a local law firm with strong ties to the South Sound community has started the **Amtrak Victim Relief Fund - DuPont** to assist those who have been affected by the recent Amtrak railway accident.

"The Amtrak crash in DuPont is a tragedy in the community in which we live and work, and PCVA considers it an honor and a community responsibility to help however we can," Cochran stated. PCVA pledges \$10,000 towards the needs of the families of the DuPont Amtrak crash, with Commencement Bank handling the donation account. "Many of us here at our firm commute on that train. We hope this is just the start of many community businesses reaching out to support these victims in this time of need for the families and during this holiday season."

100% of funds raised through the Amtrak Victim Relief Fund – Dupont will go toward supporting victims and their families through the grieving and recovery process. If you would like to contribute to the fund, you may do so by contacting Commencement Bank c/o Amtrak Victim Relief Fund – Dupont. Call (253) 284-1800 or go online at www.commencementbank.com.
