

# END POLIO NOW

Worldwide  
Collaboration

## Eradicating Polio: Our Corporate Mission

Since 1988, Rotary International has been at the forefront of reducing worldwide polio cases by 99,9%. There is currently no known cure for this disease but it is easily preventable with a vaccine that costs approx. \$0.60. Help us end polio!

*"The world's progress in fighting polio might be one of the best-kept secrets in global health"*

## ROTARIAN AT WORK

*"Teaching Youth to Succeed through Literacy, Education & Life Skills Development"*  
- Our Club's Mission

As the oldest service club in our valley, our club has been assisting Las Vegas residents through a variety of projects. With purposeful intentionality, our club aims to fulfill its mission through the following youth projects:

- Rotary Youth Leadership Awards camp
- Breakfast with Books
- Teen Leadership Camp
- School mentoring
- Valedictorian luncheon

Through our annual Santa Clothes program, our club provides a day of shopping, fun and mentorship to over 300 needy children. The program allows the children to shop for new winter clothing before receiving information about general life skills development.

Additionally, our club provides hands-on and financial support to Will Beckley Elementary school as well as Walter Bracken, Howard Hollingsworth and Walter Long STEAM academies.

Our club also supports the military at Nellis AFB through our quarterly Wetzel recognition awards as well as our local law enforcement through our Safety Officers Awards Recognition (SOAR) program.

During each fall, our club continues its 60+ year tradition of collecting canned food for the Salvation Army to distribute during Thanksgiving.
