FOR IMMEDIATE RELEASE

JUSTIN DORSEY PLUMBING IS KEEPING INDIANA'S HIGHWAYS LITTER FREE

Justin Dorsey Plumbing, in partnership with Sponsor A Highway®, is making a big difference in reducing litter along Indiana's highways!

Danville, Ind. – Known for its scenic farmland, a collection of historic landmarks, and the famous Indianapolis 500, Indiana's highways are some of the most beautiful in the country. It's no surprise that businesses are so enthusiastic about keeping them clean, and Adopt A Highway Maintenance Corporation® is proud to announce that Justin Dorsey Plumbing is Indiana Sponsor A Highway's newest partner!

Justin Dorsey Plumbing believes that trust is the most important part of their business. Since the company began over 30 years ago, they've established a solid reputation as a trustworthy, professional and knowledgeable contractor and service provider. With more than three decades of plumbing experience, they've created a name for themselves as central Indiana's go-to industry expert for all plumbing needs.

Not all plumbing companies can offer the wide range of residential and commercial services provided by Justin Dorsey Plumbing. Their technicians and staff offer a variety of skills and interests that directly benefit their customers. While plumbing issues can sometimes be complicated, Justin Dorsey Plumbing has made a commitment to go above and beyond to take care of their customers in times of need.

Through highway sponsorships from local businesses and organizations, the Indiana Sponsor A Highway® Program has been serving its local communities with litter removal along some of the state's busiest highways for the last six years. Now Justin Dorsey Plumbing's commitment to their customers goes beyond providing exceptional plumbing services. Their sponsorship of three signs in the greater Indianapolis area has set them apart as an industry and community leader for their contribution to cleaner highways.

We are grateful to have Justin Dorsey Plumbing as our newest partner and active participant in the Indiana Sponsor A Highway® Program and we are happy that both they and their customers get to share in the benefits of them being a socially responsible business.
