## **Murfreesboro's Thompson Services Acquired by Hiller Plumbing, Heating, Cooling & Electrical**

Hiller Plumbing, Heating, Cooling & Electrical (Hiller), the region's premier provider of residential and commercial service and repair, is pleased to announce the acquisition of Thompson Services, Inc. (Thompson Services) of Murfreesboro, TN.

Thompson Services has serviced over 5,000 homes in Rutherford county and surrounding areas in Tennessee over the past 15 years. Thompson Services has built a successful HVAC, Electrical, Plumbing, and Gas business founded on exceptional service, integrity, family values, and loyalty to its customers. In order to continue to deliver excellent customer satisfaction in an industry with rapidly improving technology and techniques, Thompson Services has decided to join Hiller Plumbing, Heating, Cooling & Electrical.

“One of the things that made Thompson a very attractive partner for us was Jim Thompson and the Thompson team's great reputation for superior customer service and their commitment to honest and integrity in their work”, said Jimmy

Hiller, founder and owner of Hiller Plumbing, Heating, Cooling & Electrical. “We are looking forward”, he continued, “to continuing to deliver the same premiere service and the same values that Thompson Services customers have come to expect over the last 15 years”.

Hiller, founded on the same values of high quality customer service, loyalty, honesty, and caring about its customers, has experienced tremendous growth over the past 28 years. Since 1990, the company has grown to include over 470 trucks, employ over 620 team members, and operate out of 15 locations. As a result, Hiller is capable of providing key resources and benefits, such as continuing training and education programs for technicians, and a 100% satisfaction guarantee, to its customers.

“When we were looking at the opportunity to sell our business, we were looking for what was most beneficial to our customers and the Thompson Services family”, remarked Jim Thompson, founder and CEO of Thompson Services. “I am so excited”, he continued, “For our employees to receive the training of the new technologies at the technology center that Hiller already has in place.

**Hiller Plumbing, Heating, Cooling & Electrical**, provides residential and commercial service and repair throughout Tennessee, Southern Kentucky, and Northern Alabama. As the homeowner’s premier provider of choice with a 100% satisfaction guarantee, Hiller is Tennessee’s largest residential plumbing, heating, air conditioning, and electrical services provider. Hiller, recently named the fifth fastest-growing private company in Middle Tennessee and “Best in Business” from the Nashville Business Journal, employs more than 620 associates, boasts a fleet of 470 “happy face” trucks across 15 locations, and has responded to over 1.4 million service calls.
