

INDUSTRIAL + ASIA 2018

IMAGINE THIS...

A network of partners for production and distribution in major centres across Asia.

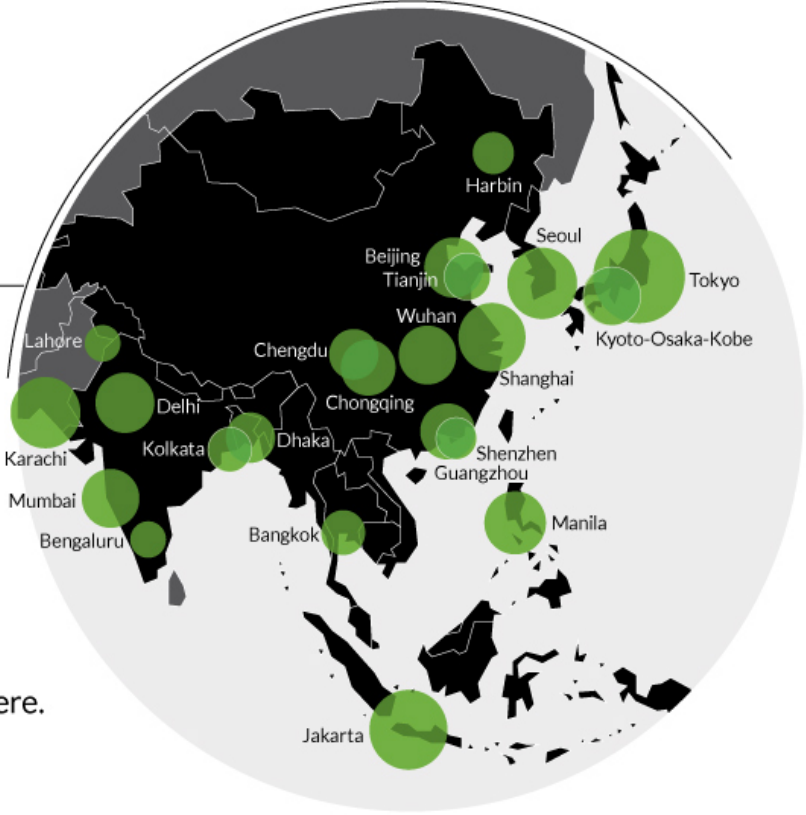

Your interests represented and protected by experienced in-country executives, with Australian management at your service.

A cost-effective, clear-cut, and transparent solution for low-risk engagement with the world's largest, most diverse market.

Are you ready to seize the opportunity?

SEIZE THE OPPORTUNITY - ASIA

There are more people in this circle than outside of it.
22 of the world's 37 megacities are located here.

OUR MISSION

We offer our clients areas of capability in foreign markets, within which they can operate with the full advantage of local knowledge.

Our network of people and offices gives you an immediate presence in Asia without the risk.

Working together with us to form reliable partnerships in Asia, build sustainability into your import and export operations for long-term success.

INDUSTRIAL + ASIA 2018

Join us in 2018 to promote your innovative Australian products to architects, developers and construction professionals across China and SE Asia.

4 x trade shows, 24 x product presentations, social media promotion, due diligence of potential distributors, order management, and compliance and logistics support.

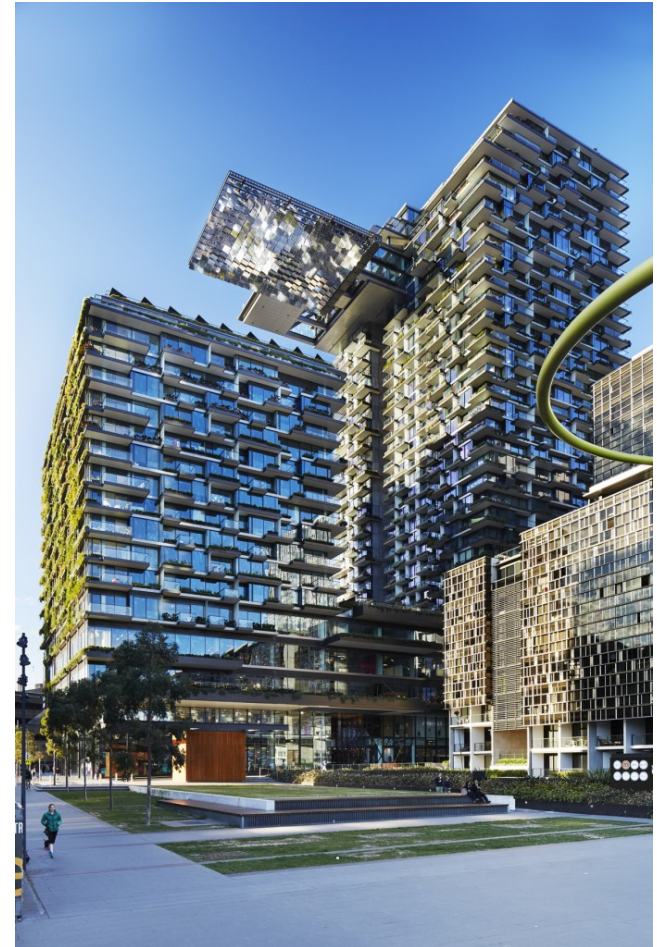

12-month engagement, non-exclusive representation, total transparency, buyers pay you directly, designed for maximum rebate under Export Market Development Grant.

INDUSTRIAL + ASIA 2018

‘Dominion House is assisting TILT Industrial Design to assess sales opportunities in Asia with INDUSTRIAL + ASIA 2018. We look forward to building a stronger global company based on this competitive advantage and utilisation of distribution networks identified by Dominion House’.

Tim Phillips, Managing Director

INDUSTRIAL + ASIA 2018

'...in 2014 China had 17,406 architecture and design firms with 330,028 architects and designers'

AUSTRALDE

TILT Industrial Design

Australia's leading industrial designer for architects

<http://www.tilt-industrialdesign.com/>

Join TILT Industrial Design and a select group of innovative Australia companies at INDUSTRIAL + ASIA 2018.

Deadline: Monday, March 5th, 2018

EXPERIENCED TEAM – ASIA & AUSTRALIA

Established since 2005, Dominion House is an Australian supply chain management consultancy with offices in Sydney and Shanghai.

The two directors, Jeremy Barnett and Sophie Zhuo, work with their experienced executive team to serve the interests of a select group of clients.

BUSINESS MEMBER

CONTRIBUTE AND CHOOSE

“Living in and working with China since the 1990’s, I’m on a mission to empower Australian SME’s to contribute to the Asian Century on their own terms, and choose their level of engagement and success”.

Jeremy Barnett

Managing Director at Dominion
House

“Everyone has something to contribute, and everyone deserves to choose”.

NEXT STEPS

To **unlock your potential for a global market**, contact Jeremy Barnett at the Sydney office to arrange a consultation or request a proposal.
