Impact Influence Purpose Building System

A Step-by-Step Guide to Changing Your Purpose Zone

ARE YOU ... LIVING THE LIFE YOUR PURPOSE IS DESIGNED FOR, CHARGING WHAT YOU, YOUR PRODUCT, AND YOUR SERVICES ARE TRULY WORTH?

If not - you're not alone. In fact, one of the most common mistakes new and emerging entrepreneurs, coaches, and consultants make is under pricing their products and services. When unsure how to package and price your products, you underestimate your own value thus setting the stage for a lifetime of earning less than you deserve and what clients are (TRULY) willing to pay. When unsure how to shift your life, you will remain in a state of lack, unfulfilled, unsatisfied life. Living what others have determined for you.

BREAK OUT OF YOUR MINDSET RUT!

My impact, Influence, Purpose Building System is YOUR ticket out of this place of low to no impact rut.

In this three -module, tele-seminar training program, coaching expert Beverley Vaughn shows you how to:

- Develop a sustainable system/plan for your success.
- Create a new plan for your life that speaks to your deepest desires and need for transformation.
- (Existing and new entrepreneurs) How to Brand, Package, and Price your offers to attract new and better-paying clients.
- Repackage under priced products and services into high-value offerings
- Understand Purpose and be free to own yours
