Perfection Floor Tile Introduces New Collection at The International Surfaces Event

The Vintage Collection by Perfection Floor Tile

Grandview, Missouri, February 2, 2018: Last week, Perfection Floor Tile launched their newest collection at The International Surfaces Event, The Vintage Collection. Inspired by the timeless splendor and tried-and-true styles of reclaimed woods. The imperiled treasure of our everyday classics vintage wood collection features the beloved designs and colors the have stood the test of time. Explore the artfully crafted vintage collection in 12 colors with exceptional detail and embossed texture at perfectionfloortile.com.

About: Perfection Floor Tile

Perfection Floor Tile is the leader in innovative vinyl interlocking tiles. Our titles are made in the United States with pure virgin vinyl using cutting edge technology. As a company, we pride ourselves on creating a high quality, easy to install, durable, non-toxic product for our consumers. We develop products that inspire spaces where people live, work, play, heal and learn. Our product is designed knowing our consumer wants trendy designs, vibrant color temples, and textures inspired by nature. For more information, visit our website at perfectionfloortile.com or contact Tiffany O'Hare at tiffany@perfectionfloortile.com.
