

Nutrition Data Engine

What we do

Edamam does real time nutrition analysis and diet/allergen tagging of recipe and ingredient lists.

What we provide

- **Nutrition Claims** – 30+ macro and micro nutrients (e.g. calories, fat, vitamins)
- **Nutrition Facts** – 40+ diet and allergen tags (e.g. low sugar, gluten-free, paleo)

Our Products

- **Nutrition Wizard Pro** self-service tool for small- or medium-sized restaurants
- **Nutrition Analysis API** for large restaurants or chains with thousands of recipes
- **White Glove Service** for an analysis by a nutritionist

Benefits

- **Save Money:** Most cost-effective solution on the market at \$22.95/month for self-service Nutrition Wizard Pro.
- **Enhance Sales:** By helping customers identify food by diet preference, you increase satisfaction, visits, orders and sales.
- **Save Time:** Easy, fast, real-time, and accurate.
- **High-Volume Processing:** API analyzes thousands of recipes in seconds.
- **Dynamic:** Cloud-based and accessible anywhere.
- **Keep up with Legislation:** Obtain data increasingly required by legislation.
