Adessa Group Appoints Luc Bossaert as Chief Strategy Officer and Board Member

New role highlights Adessa's commitment to helping customers plan for and consume digital HR innovation

BRUSSELS (7 February, 2018) – Adessa Group (www.Adessa-Group.com) announced today that Luc Bossaert has joined the company as Chief Strategy Officer and will also serve as investor and active member of the company's board.

Adessa is an SAP HCM & SuccessFactors partner and provider of services and solutions for HRIS, Payroll, Time Management, Benefits and Workforce Administration. Founded in 2005, Adessa is dedicated to HR transformation and committed to helping its customers reach their business objectives while ensuring their HR foundation (core HRIS, Payroll, Time, Benefits) is prepared for an eventual move to the cloud. In this newly created role, Luc Bossaert will be responsible for strategic growth initiatives, bringing a wealth of industry and customer management experience as well as deep expertise in core HR, payroll and talent management.

Luc Bossaert joins Adessa Group from iXerv Global where he was co-founder and Chief Executive Officer for the past three years. He has over 25 years of experience in strategic and leadership roles across the global SAP ecosystem at companies such as Arinso, NorthgateArinso (NGAHR), SpinifexIT and KPMG.

"I am delighted to join such an innovative and fast-growing company and I look forward to working with the Adessa team to take the business to the next level," Bossaert commented. "Adessa's focus on helping customers use digital HR transformation in order to increase business efficacy and value as well as their record of project successes were major reasons for my decision to join the organisation."

"Luc has a proven track record in working with customers and partners to leverage HR technology to create added value to business processes. His experience in working with companies of all sizes as both a successful HR strategist and a well-respected executive brings immense value to Adessa and to our current and future customers," said Adessa Group Founder and CEO, Gaetan Masson. "With a solid understanding of SAP HCM and SAP SuccessFactors solutions -- particularly in a pan-European environment -- Luc will play a key role in Adessa Group's continued accelerated growth."

About Adessa Group

The Adessa Group was founded in 2005 as a specialized and pan-European Human Resources service provider. The company was founded with the vision of supplying sustainable computer solutions through the development of an international network of subsidiaries, close to their customers and with the aim of growing organically. This vision was translated through the values that shaped Adessa's corporate culture.

Today, Adessa has an international presence with offices in Belgium, Switzerland, France and Spain and works closely with clients all over Europe. The company's success is evident through the long-term relationships we have built with our clients and through the established corporate culture. It is exactly these values that have enabled us to grow organically. At Adessa, every employee brings his own unique flavour to the team, resulting in great diversity but also stimulating our culture of collaboration and team spirit.
