

## **TRC Professional Solutions is Recognized by TechServe Alliance with “Excellence Award”**

*Honor recognizes top performing IT & engineering staffing and solutions firms*

**Atlanta, GA (March 1, 2018)** – TRC Professional Solutions today announced it has earned the annual [Excellence Award](#) from [TechServe Alliance](#). The award recognizes IT & engineering staffing and solutions firms that have demonstrated outstanding performance, team productivity and dedication to continuous improvement.

TechServe Alliance, the national trade association of the IT & engineering staffing and solutions industry, recognized TRC Professional Solutions at its [Annual Conference](#) in Phoenix, AZ, November 9-11, 2017.

“TechServe Alliance Excellence Award winners exemplify the very best of our industry. They are committed to delivering world-class solutions to their clients and providing valuable career opportunities to IT and engineering professionals while far exceeding industry performance standards,” said Mark Roberts, CEO of TechServe Alliance. “These award recipients truly set themselves apart from the competition,” added Roberts.

“Recognition by the IT and engineering staffing and solutions industry’s national trade association is an incredible honor. We are both proud and humbled to have met the high standards necessary to earn the award. I speak for our entire team when I say that we will not rest on our laurels. In the coming year, we look forward to redoubling our efforts in delivering extraordinary service to our clients and consultants. We hope to be in position to earn this mark of distinction in future years,” said Angela Nation, Senior Vice President

The TechServe Alliance Excellence Awards winners were selected based on three criteria: consistent revenue growth, highly effective and productive teams, and a demonstrated commitment to continuous improvement through ongoing team development. To ensure independent and unbiased consideration of all applications, TechServe Alliance again engaged [Inavero](#), a leading staffing industry research firm, to collect, tabulate and validate applicant submissions. TechServe Alliance accepted applications from both members and non-members that met specific eligibility requirements. Recognition was given to the select group of top-performing firms across three categories: small, mid-sized and large enterprises.

### **About TechServe Alliance**

TechServe Alliance is the national trade association of the IT & engineering staffing and solutions industry. Hundreds of IT & engineering staffing and solutions firms and tens of thousands of affiliated professionals count on TechServe Alliance to keep their leadership informed, engaged and connected. TechServe Alliance serves as the voice of the industry before the policymakers and the national and trade press. By providing access to the knowledge and best practices of an entire industry and tapping the “collective scale” of hundreds of companies, TechServe Alliance supports its members in the efficient delivery of best-in-class IT & engineering staffing and solutions for clients and exceptional professional opportunities for every consultant.
