

OneView Platform

Smarter Hotel Marketing

The TMG OneView Platform seamlessly integrates social, reputation and website content management for next-level hotel/traveler engagement, with DIY and full-service options.

Your All-In-One Guest Engagement Solution

- Sync live reviews from OTA websites & TripAdvisor
- Connect to major social networks like Facebook & Twitter
- Respond to reviews, comments, and Tweets
- Post and schedule content from the dashboard
- Assign responses and posts to your employees
- Share positive reviews to your social networks
- Get notifications and set reminders to never miss a thing
- Get 24/7 access to reviews, social media and more

Introducing the OneView Platform for Hoteliers

Make Engaging with Guests Easy with OneView
