Dom & Tom Named #1 App Development Company in New York and Chicago

Market research firm Clutch reveals the top development companies for web, UX, iOS, Android and more in 2018.

NEW YORK, NY (March 29, 2018) – Washington, DC-based research firm Clutch.co is a platform for in-depth client reviews, data-driven content and vetted market leaders such as Dom & Tom. With over 7,000 agencies, 11,000 client reviews, and 50 survey reports, Clutch has become the go-to-place for potential clients to find the right technology partner for their digital products.

Clutch "cuts through disorganized market research by collecting client feedback and analyzing industry data, arming businesses with the insights and analysis they need to connect and tackle challenges with confidence."

In recently released announcements, Clutch has named Dom & Tom as the #1 App Development company in both New York and Chicago. They have also included Dom & Tom on the list of other top 10 development firms in categories such as web development, iOS mobile development, Android mobile development, User Experience and more.

"The creative and development spaces are fast-moving fields," said Clutch Business Analyst Alaina Stevenson. "The ability to develop and design digital products and please clients is impressive. Congratulations to the 204 companies that have stayed on the cutting-edge of technology and continue to deliver outstanding services to their clients."

With 18 reviews, Dom & Tom has a 4.8 out of 5 rating on Clutch and a portfolio of clients including Priceline.com, General Electric, Hearst, Turner, Bloomberg, Tyson Foods, Inc., McDonald's, The University of Oklahoma, Women's Tennis Association, Lisa and more.

"Dom & Tom grasped the app's vision and were communicative. They related to internal employees and were flexible throughout the process... Dom & Tom worked, successfully, to resolve issues and improve the relationship," said a Concierge & Site Services Manager for a Management Consulting Firm client of Dom & Tom's.
