

Create a Healthy, Sellable Business Whether You Plan to Sell or Not

“I work with hundreds of CEOs running companies in every industry... I don't hesitate to recommend ClearPath when they have to prepare for a major strategic event or simply need some outside counsel.”

**Paul Witkay,
Founder, Alliance of CEOs**

Why: Everything that builds a sellable business, creates a stronger business and more balanced life for its leaders and teams.

How: Our multi-disciplinary executives help you develop and execute a clear path from current to optimal state via: Targeted Projects, Salability Assessment, Salability Program or M&A.

Principles: Shared success, built on relationships vs. transactions

Proof:

- **377** customers
- **300** M&A transactions and projects
- **4.2X average return on relationship**
- Proven across **all major vertical markets;**
- **93%** repeat clients

Targeted Consulting: Covering your unique needs with multidisciplinary insight, when you need it.

Salability Assessment (CSA): A comprehensive assessment of the salability and value of your business, and its greater potential over the near term.

Salability Program (CSP): Visualize —then optimize— value at every point in your business. Programs sized to fit your needs.

ClearPath M&A Advisory Services: Develop and execute transactions based on deep experience and more than 300 transactions and projects.
