Plug & Play digital signage has arrived

ScreenScape Connect allows businesses to turn any TV into a dynamic digital sign. Connect the screen of your choice to your own account at ScreenScape.com using an Internet-connected plug & play device.

Key business benefits

- Low capital cost for media player (device cost included with 36 month subscription)
- No capital cost for peripheral equipment (use existing TVs)
- Simple setup process (plug it in and it works)
- No installation (equipment is already in place)
- Simplified project management
- Easy maintenance
