7th May 2018

St.Regis Abu Dhabi Nation Towers, Corniche - UAE

Organised By
DMS
EVENTS

Be part of this unique event that will demonstrate the importance of valves. DMS Global encourages valve and mechanical professionals to share their knowledge and technical expertise by becoming part of the technical programme in the 1st DMS Global UAE Valve Symposium 2018.

Taking place on the 7th May 2018 the conference features technical sessions designed to cover innovative technologies and solutions to the pressing technical challenges of today.

Monday 7th May 2018

8.00 am – 9.00 am **Registration**

9.00 am – 9.15 am **Welcoming Remarks**

Mohammed Loch
President & CEO
DMS Global
Director Industry Development
ISA

9.15 am – 9.40 am **Smart Valves & Optimised Selection**

Speakers

Co-Speakers

Mareesan Bose
Head, Research & Development
Larsen & Toubro Valves, India

Mohan Das Sugumar
Deputy General Manager,
Research & Development
Larsen & Toubro Valves, India

Presentation
L&T Valves Asset Management
Program – LAMP®

9.40 am – 10.05 am
Best Practices in Valve Testing and Maintenance

Speakers

Mazlan B Mastan
Principal Engineer,
Instrument and Control
PETRONAS
Presentation
Valve Low Temperature Testing
as per BS6364 and ISO5208
Standard Experience Sharing

10.05 am – 10.30 am
Cladded Valves

Speakers

Masood Rahman
GM Sales & Application
Koso Kent Introl
Presentation
Control Valve Problematic
Application And Failures In Field

10.30 am – 11.15 am **Exhibition Networking and Coffee Break**

11.15 am – 1.15 pm: **Industry Lessons Learnt: Valve Failures**

Speakers

Khalfan Mohamed Al Abdouli
Performance and Reliability Advisor
ADNOC LNG

Presentation
Identification of Anti Surge Valve
Root Causes Failure Prevented
Catastrophic Machine Damage

Gary W. Stretton
Sales Director Middle East
Koso Kent Introl

Presentation
Cladding of Valves

Owen Gu
Senior Engineer – Research &
Development – Shell Key Account
Neway Valve (Suzhou) Co. Ltd

Presentation
Oxygen Service Valves – Essential
Precautions From Purchase to Installation

Abdel Rahman Khabbaz
Business Development Dept
Orion Valves SpA

Presentation
The Concern Of Gate Valves
In Non-Horizontal Installations

John Furfey
Director of Industry (Oil & Gas)
ValvTechnologies

Presentation
Benefits of Absolute Zero leakage
Metal Seated valves for Severe
Service – Valvtechnologies

1.15 pm – 3.00 pm **Lunch and Exhibition Networking**
