COMING TO ARLINGTON

MAY 2018

TechSpace Arlington will occupy over 20,000 square feet of office space on the 8th floor at Two Liberty Center. This property is uniquely positioned along the Rosslyn-Ballston Corridor within easy reach of Washington DC, The Pentagon, Tyson Corner, Maryland Suburbs, the Ballston-MU Metro, I-66 and Route 50. With 198 workstations, we will offer a variety of office space solutions including co-working desks, 1-25 person private office suites and a variety of thought provoking collaboration lounges including a rooftop terrace! As an alternative to long-term leases, TechSpace is the perfect solution for entrepreneurs, startups, growth and mature companies looking for their next office. Whether you have 5 employees or 150, TechSpace is building an amazing office space for you in Arlington, VA.
