### About Clarion

Clarion Safety Systems is the leading designer and manufacturer of state-of-the-art facility safety signs and product safety labels for over 180 industries worldwide. The goal: to reduce risk and protect people in their work and public environments. As part of this mission, for more than two decades Clarion has used its experience and expertise to lead a wide variety of standards-writing committees to develop best practices in visual safety communications in the U.S. and around the globe.
