

## **Zero In Awarded Google Premier Partner Status**

GUELPH, ONTARIO - JULY 10, 2018 - Zero In's Digital Advertising Specialists, have been awarded the highly coveted status of Google Premier Partner.

Google awards the "Premier Partner" status to only the top 3% of Digital Agencies globally. Zero In is honoured to have earned this exclusive recognition.

A Google Partner since 2008, Zero In has steadily grown its client base by delivering consistent Return on Investment (ROI) by way of effective Campaign Strategy, Management, and Reporting Services.

Premier Partners meet Google's highest standards and criteria for Qualification, Transparency, and Customer Service. This includes the completion of extensive Google Product and Account Management Training with a long-standing history of Client Satisfaction, Retention and Growth.

"We're proud of this designation and to be recognized for our commitment to professional development, measured ROI and expertise within the Google Platforms. Businesses in the Guelph, KW Area seeking top Digital Advertising performance, now have the opportunity to work with a local firm for Premier level services"

~ Rudy Diemer, Executive Director of Zero In
