iPatientCare National User Conference 2018's Gold Sponsor CoverMyMeds and Bronze Sponsors InterFAX and Northern Physicians Organization are all set to participate and exhibit at Detroit from October 12-13, 2018

Old Bridge, NJ, October 11, 2018 - iPatientCare, Inc., is a pioneer in [cloud-based EHR](#), Revenue Cycle Management services, integrated Practice Management and Patient Engagement solutions, announces the participation of CoverMyMeds as a Gold Sponsor, and InterFAX & Northern Physicians Organization as the Bronze Sponsors at National User Conference (NUCON) 2018.

CoverMyMeds is a leader in electronic prior authorization (ePA) and real-time benefit check (RTBC) solutions, and one of the fastest growing health care technology companies in the U.S. By facilitating appropriate access to medications, the company can help its customers avoid billions of dollars each year in administrative waste and avoidable medical spending caused by prescription abandonment.

Computer-based faxing services has been offered by InterFAX since 1996. It is a pioneer in providing most secured methods of healthcare faxing. While meeting the most demanding privacy and security requirements, it provides cutting edge desktop faxing services enabling businesses to send and receive faxes easily and cost-effectively.

Northern Physicians Organization is a physician organization with more than 500 members based in Traverse City, Michigan that provides numerous services to its members such as PCMH implementation, LEAN training, and HIE/interoperability services. Through their partnership with eMedApps, they also offer a software solution to healthcare networks (Community Health Cloud).

NUCON, the yearly event gives opportunity for all the providers to meet under common platform. This year, iPatientCare's key focus area is to present the entire [iPatientCare healthcare IT suite](#) that includes cloud-based EHR, population health, and patient engagement solutions that are designed to take the healthcare practices towards higher success.

"iPatientCare is privileged to have CoverMyMeds, InterFAX, and Northern Physicians Organization among their sponsors and exhibitors for this annual event – 'National User Conference' (NUCON) 2018. We are highly impressed with the innovative solutions all these organizations are delivering to our end users. We are confident that iPatientCare users will continue to value these products and services." Said [Rajesh Mandaviya](#) and [Harsh Thakur](#), Managers of Sales/Marketing at iPatientCare Inc.

About iPatientCare:

Based at Old Bridge, New Jersey, iPatientCare is a private-held Corporation that is nationally recognized as one of the leading companies providing EHR and integrated MACRA-ready solutions and intelligent

medical billing and [revenue cycle enhancement services to physician offices](#) providing primary and specialty care, rural health clinics, and community/federally qualified health centers (CHC/FQHC) nationwide.

At iPatientCare, we help healthcare providers to dramatically reduce A/R days and improve collections rates, reduce billing costs, eliminate the burden of repeatable, high volume work on their internal teams, and plug gaps in staffing and internal bandwidth. Our expert teams are comprised of senior executives with extensive experience in clinically-driven revenue cycle management systems including certified billers and coders with managerial capabilities to facilitate client interactions, escalations and SLA. We also provide a dedicated account manager and a team of talented experts assigned to work as an extension of your office, instead of operating as an outsourced billing company or technology vendor.

iPatientCare EHR 18.0 has received 2015 Edition ONC Health IT certification by Drummond Group, an Office of the National Coordinator-Authorized Certification Body (ONC-ACB), in accordance with the applicable eligible professional certification criteria adopted by the Secretary of Health and Human Services (HHS). Full certification details can be found at [ONC Certified Health IT Product List](#). If desired, we make the difficult tasks of revenue cycle optimization and MACRA/PCMH/QR reporting easier by bundling innovative EHR and other cloud-based practice solutions as part of our revenue cycle management and MACRA consulting services at no additional costs.

As part of its MACRA-ready solutions, iPatientCare has been recognized as a qualified MACRA-MIPS registry for the year 2018 by CMS, and has a distinguished credit of being selected as a preferred EHR vendor and medical/chiropractic billing company by more than 70,000 users nationwide, numerous hospitals/health systems, federally funded regional extension centers, and in the past by the US Army and NASA Space Medicine.
