“Implants in the Aesthetic Zone: Achieving a Predictable Outcome”

Speaker: Dr. Keren Sperling, DMD, MSc
Board Certified Periodontist and Dental Implant Surgeon

About the Speaker:

Dr. Keren Sperling graduated with a General Dentistry (DMD) degree from Tel-Aviv University in Israel and completed a clinical Masters degree (MSc) in perio-pathology at the same school.

She graduated with advanced training in Periodontology and Implant Surgery from New York University (NYU), and became a Diplomat of the American Board of Periodontology.

Education is Dr. Sperling's passion, as she is a former part time faculty member in the Periodontology department at Virginia Commonwealth University (VCU) and leads a prestigious interdisciplinary Spear Dental Study Club for dentists in the community. Dr. Sperling also regularly lectures at her Seminar Series, which she hosts for local dental professionals.

Dr. Sperling has continuously been voted as a "Top Periodontist" by the Northern Virginia Magazine for providing excellent care to her patients at her Vienna office.
