

Element Homebuyers: Experienced Home Buyers Are Bringing Fast Solutions In Nebraska To Sell Your Home Online

LINCOLN, NE. - MARCH XX, 2019

Jason Ault, the founder of Element Homebuyers, is passionate about helping Nebraska homeowners sell their homes quickly. In fact, he's been working with clients in Omaha, Lincoln, Hickman, Bellevue, and Papillion who are facing issues that require them to sell their home quickly and at a fair price, including divorce, foreclosure, relocation, bankruptcy, home repairs, or a job transfer for years and is excited to continue doing so for many years to come.

[Element Homebuyers](#) is dedicated to helping homeowners in need in Lancaster, Douglas, and Sarpy counties. They are also proud to be a part of every community they do business in and look to provide the same high-quality home buying service to anyone in those areas who needs it.

When Eastern Nebraska homeowners are facing issues such as foreclosure, bankruptcy, divorce, financial trouble, lack of equity, home repairs, or a job transfer, Element Homebuyers wants to help. They are a real estate investment company that specializes in buying houses for cash in "as-is" condition. That means they can buy your house quickly, for cash, and on your schedule.

Element Homebuyers hopes that knowing their services are available in your market will give homeowners the peace of mind that comes with having that resource available if you need to sell your house but cannot list with a Realtor. Eastern [Nebraska](#) homeowners don't have to deal with the struggles and hassles that come with a house that they can't sell.

"We make it extremely simple and easy to get a cash offer for your home," said Element Homebuyers founder Jason Ault. "Simply call us or submit your information on our website, we'll schedule a meeting at your home to discuss the process, and then you tell us when you want to schedule the closing. It's that easy to sell any house in Lincoln, Omaha, and all the surrounding areas."

An important step that homeowners should remember is that many potential buyers aren't looking for a house that isn't move-in ready. They often don't want to deal with repairs, concern themselves with financial issues, or wait for the seller to sort out any legal entanglements. That can leave homeowners with those kinds of problems in a bind. But if they're saying, "[I need to sell my house fast in Lincoln Nebraska](#), but I don't have the money or means to fix these issues," they need a solution beyond what's available on the open market. That's where a cash home buying company like Element Homebuyers comes in.

The company has already helped hundreds of homeowners sell their distressed or troubled house. "I can't possibly recommend working with Jason and his team enough," raved one recent

client. “They didn’t just meet the expectations I had for this experience, they surpassed them. Having never worked with a real estate investment company before I was nervous, but they were kind, honest, thoughtful, and walked me through everything step by step so I felt comfortable the whole time. Anytime I had a question they were quick with a truthful answer and I came away from the entire process feeling valued and taken care of. I have been recommending them to all of my family and friends in the area.”

Element Homebuyers doesn’t just understand the home buying process, they also understand the specifics that come with selling a house in Lincoln, Nebraska and Omaha, Nebraska. They are very familiar with all of the local laws, taxes, and documents that come with selling a house here. They aren’t just businesspeople in Eastern Nebraska, they live here too. So they understand what it means when you come to them looking for the easiest way to sell your house fast. Element wants to make it clear that “[we buy houses in Lincoln, NE](#) and [we buy houses in Omaha, NE](#)” and will do so at a fair price without a commission.
