***Human eSources' Distribution Network for Interactive Textbooks  
Substantially Broadened in Expanded Agreement with Kendall Hunt***

*Online award-winning textbooks empowered by proprietary interactive technology*

FOR IMMEDIATE RELEASE

**Marlborough, CT** (April 4, 2019) Human eSources® and Kendall Hunt Publishing today announced a joint agreement to expand the marketing of industry-leading CollegeScope® and College & Career Success across both organization's sales and marketing teams. The online versions of both publications make use of Human eSources' proprietary software that turns standard textbooks into truly interactive learning experiences with self-assessment tools, as well as providing the teacher with collaborative and administrative capabilities.

"Our interactive online student success textbooks have won a number of awards. We view our new partnership with Kendall Hunt as a way to expand the reach of our amazing and robust interactive publishing platform and get the message out to more postsecondary institutions on how CollegeScope and College & Career Success interactive online editions positively impact student persistence," said Ross Dickie, Human eSources' president and COO.

David Tart, Kendall Hunt Publishing's vice president of higher education said the agreement is "a natural progression of both our focus on higher education FYE programs, and the valued and trusted relationship we've enjoyed with Human eSources over the past 10 years developing and marketing the online version of College & Career Success."

This enriched relationship with Kendall Hunt Publishing significantly expands Human eSources' reach to all higher education institutions in an efficient manner.
