FOR IMMEDIATE RELEASE

Assure Professional Announces SSAE 18 Trends and Developments Webcast

The discussion will explore the impact of SSAE 18 on SOC examinations and practical strategies in complying with new reporting requirements.

Green Bay, Wis. (April 19, 2019) — [Assure Professional](#), a leading cybersecurity, assurance and compliance solutions provider, will participate in a webcast event featuring an in-depth discussion pertaining to SSAE 18 on Thursday, April 25, from 3 – 4 p.m. EST. The event, titled *The SSAE 18 Audit Standard: Significant Trends and Developments Explored*, is being produced in partnership with The Knowledge Group, the leading producer of regulatory focused webcasts.

The event will introduce CPAs, internal auditors, risk and compliance managers, senior management and operations executives, to the basics of the Statement of Standards for Attestation Engagements (SSAE) 18 Audit Standards and delve into the current developments and recent court rulings involving this significant topic. Speakers will also provide the audience with practical strategies in complying with the new and improved Service Organizations Controls (SOC) reporting requirements.

The Knowledge Group has assembled a guest speakers panel of key thought leaders and professionals including, Assure Professional Audit and Accounting Partner, William Holman.

Key topics will include:

- SSAE 18 Audit Standard: An Introduction
- SSAE 18 Reporting Requirements
- Proposed Changes
- Updates on SOC 1 and SOC 2
- Promises and Perils
- What You Need to Know in 2019
