

## Film Festival Flix Announces the Petit Film Festival to take place at the Petit Ermitage Hotel in West Hollywood, CA

*Bite sized entertainment for sophisticated cinephiles in an intimate setting*

### For Immediate Release:

July 23, 2019

Film Festival Flix and the Petit Ermitage have joined forces to launch the Petit Film Festival at the exclusive and intimate Petit Ermitage Hotel in West Hollywood.

Everything about the festival is Petit! The hotel, the screening rooms, the food and drinks, and of course, the films. It may take only five to twenty min to show each film, but filmmakers spend a lifetime mastering the art of concise story telling.

**“If I Had More Time I Would Write a Shorter Letter” – Mark Twain**

The Petit Film Festival at Petit Ermitage is a week-long festival offering attendees rooftop soirés and film screenings under the stars, film showcases in the penthouse parlor, and themed screening rooms throughout the hotel. Usually reserved for artists, bon-vivants, and the occasional intergalactic space villain, this infamous bohemian hideout is expanding its support of the arts by welcoming the film festival.

Formerly known as the “Film Festival Flix | Short Film Competition”, then “Evening of Exceptional Shorts”, the Festival began in 2013 and has showcased exceptional short films from around the world introducing first time and established filmmakers to US audiences.

“As exhibition technology has made it possible to screen movies beyond theaters, we love the intimacy created by bringing these film gems and the festival experience to local audiences in unique and exciting community and outdoor venues. The owners of the Petit Ermitage Hotel and I have been discussing the possibility for this festival for almost ten years. I’m so excited that it is finally happening! Their quirky and whimsical boutique hotel could not be a more perfect partner and location for this Festival!” shares Film Festival Flix CEO, Benjamin Oberman.
