

FINANCIAL POISE WEBINAR ONE SHEET NEWBIE LITIGATOR SCHOOL - FALL 2019 EDITION

SERIES OVERVIEW

This webinar series is one of several series (together with the other “Newbie Litigator School” series) that Financial Poise designed specifically for attorneys who are just starting to get involved in civil litigation or who could use a refresher on some litigation fundamentals. The purpose is to introduce you to different components and phases of litigation, from the basic rules of civil procedure and evidence, to dispositive motions, through trial, and on to appeal and post-judgment collection work. Each episode is delivered in Plain English understandable to business owners and executives without much background in these areas. Yet, each episode is proven to be valuable to seasoned professionals. As with all Financial Poise Webinars, each episode in the series brings you into engaging, sometimes humorous, conversations designed to entertain as it teaches. And, as with all Financial Poise Webinars, each episode in the series is designed to be viewed independently of the other episodes, so that participants will enhance their knowledge of this area whether they attend one, some, or all of the episodes.
