Peopletrail Named in the Top 5 Enterprise Quality of Service Leaders in HRO Today's 2019 Baker's Dozen

This is the fifth consecutive year that HRO Today has rated Peopletrail as a top employment screening provider in the United States.

DRAPER, UT— Peopletrail has been recognized by [HRO Today's 2019 Baker's Dozen Awards](#) as the top #5 **'Enterprise Quality of Service Leaders'** in the country. In addition, Peopletrail was also ranked in the top 6 for the **'Enterprise Size of Deal Leaders'** category, #11th amongst **HRO Today Pre-Employment Screening Baker's Dozen Overall Enterprise Leaders** and #13th in **'Enterprise Breadth of Service Leaders'**.

This is the fifth consecutive year that HRO Today has rated Peopletrail as a top employment screening provider in the United States.

HRO Today Magazine, a leading publication for human resource professionals, annually recognizes excellence in the top 13 national screening providers. These top background check and screening agencies are identified for the quality of the service and products they provide to their customers.

"This survey is a global undertaking and HRO Today has spent the last several months verifying the results," said Elliot Clark, CEO of *HRO Today* Magazine. "We feel confident that through our efforts, the companies we rank are an excellent choice based on your specific need."

Since its inception, Peopletrail has upheld that providing the best service means implementing ways to include people in the process.

"We are honored to have our efforts recognized year after year," said Wallace T. Davis, President, and CEO of Peopletrail. *"This recognition shows Peopletrail's dedication to providing an unmatched quality of services through efficient processes and superior products."*

The *HRO Today* Bakers Dozen Customer Satisfaction surveys are the largest pre-employment background screening study in the Human Resource Trade Media. The ratings are based solely on feedback from the consumers of the services that is collected online annually. The results are analyzed to determine the scope of service, deals, and quality.
