The Honorable Eugene Louis Dodaro,  
Comptroller General of the United States  
Government Accountability Office  
441 G St., NW  
Washington, DC 20548

Dear Mr. Dodaro:

Enclosed please find our letter of December 23, 2019 to the Secretary of Transportation. In it, we reference your agency's 2007 review of then-delays in the states receiving motor carrier safety enforcement funds,

For the past three years in a row, there have been similar delays in the states receiving their safety funds that have had the same effect that your office cited in your report at:

We respectfully request your office please review the Department of Transportation's handling of this matter and address the issues in our letter to the Secretary in the interest of holding the Federal Motor Carrier Safety Administration accountable to Congress and recommending the implementation of much needed reform.

Thank you.

Sincerely,

/s/ JAMES LAMB
