

Concourse Federal Group Named to Inc. Magazine's Vet100 List

DC-area company ranked among 100 Fastest-Growing Veteran-Owned Businesses

WASHINGTON (January 17, 2020) – Concourse Federal Group has been named to the annual [Vet100 list](#) — a compilation of the nation's fastest growing veteran-owned businesses. The ranking, created in partnership with Inc. magazine and [Syracuse University's Institute for Veterans and Military Families](#) (IVMF), was born out of the [Inc. 5000 list](#) of the fastest-growing private companies based in the U.S.

Both distinctions are considered hallmarks of entrepreneurial success.

Concourse provides a full-service advisory group that offers solutions for their clients' most difficult challenges. Concourse has more than ten years of experience providing services to federal clients in architecture and engineering, real estate, technology and management consulting. Concourse was nominated *Best Small Business of the Year* by Veteran Affairs VISN 22 and has served several federal clients. Concourse has also dedicated more than 50,000 hours serving the nation's veterans.

"Business growth is a real economic driver in this country and the fact is that most of the new jobs in the economy — over 87 percent — are created by private businesses," says Eric Schurenberg, CEO of Mansueto Ventures, publisher of Inc. Magazine. "Veteran entrepreneurs contribute their share to the job story, employing over 5.5 million. They deserve to be recognized for their continued service to the country."

"Military experience provides veteran entrepreneurs with skills and knowledge we know to be valuable in the business world," said Mike Haynie, Syracuse University Vice Chancellor and IVMF Founder and Executive Director. "The growth of this year's list is a hopeful and inspiring indication of how important and valuable veteran entrepreneurs are to our society and economy. These businessmen and women not only served in defense of our collective freedom and security, they now continue to serve by bettering the economies in their communities and across the country. We are proud to partner again with Inc. magazine and are grateful for their efforts to shine a spotlight on the success of veteran-owned businesses."

The Vet100 list will be announced on March 7 in Dallas at the Vet100 Awards dinner during IVMF's Veteran EDGE national conference. EDGE is the first-of-its-kind coalition of large companies supporting the success of veteran-owned businesses, connecting them with entrepreneurial education, training, resources and networking opportunities.
