

## WHAT IS PUB PASS?

**PUB PASS** is a **FREE** tool to help pubs open safely on 4<sup>th</sup> July 2020. **PUB PASS** helps you register your customers and store their details for 21 days in order to comply with COVID-19 safety guidance.

Upgrade to **PUB PASS+** anytime for £99 a month to add your digital food & drink menus, online orders and any other information for customers.

Reopen safely with **PUB PASS** - designed by UK hospitality technology company ariia Guest Experiences.

## STEP 1

Register your pub for free at [www.pubpass.co.uk](http://www.pubpass.co.uk) You will receive your login details and a QR code poster to print and mount at your pub.

## STEP 2

When customers arrive they must follow the instructions on the poster to download the app and scan your pub's unique QR code.

## STEP 3

Customers complete their contact details to comply with COVID-19 safety guidance. You can easily access and export reports via your secure dashboard.
