BioFit Customer Advantage

BioFit's focus every day is to improve learning and work environments through ergonomic performance, comfort, style and reliability.

Renowned Cafeteria and Training Tables—Tested, proven, built to last: BioFit tables are a preferred choice of public and private K-12 schools and institutions of higher learning nationwide. We also offer free space planning consultation.

Ergonomic Seating—for the classroom and beyond—We're a global leader in the design and manufacture of a full line of ergonomic seating for leading schools, universities and corporations worldwide, with many models available in our quick ship program.

Product Advantages—Lower cost of ownership: All BioFit tables are warranted to the original purchaser against mechanical or structural failure due to defective material or workmanship for 13 years of normal, multi-shift use.

Supply Chain—Higher customer satisfaction: On-time delivery; government and educational procurement contract partner; extensive dealer network; products proudly made in the USA.

Innovative and Green—Products crafted with user, environmental and bottom-line well-being in mind: Our full line of tables has achieved GREENGUARD GOLD certification and is highlighted by exclusive features to help promote user safety and durability.
