

WE DO **EDU**

Guiding Independent Schools on Their Path to Success

What WE DO.

At miXed digital EDU, we help independent day, boarding, and charter schools meet their enrollment, development, and diversity goals by providing modern solutions borne of over 100+ years experience. Our Services include:

Marketing & Communications

Increase external reach and support enrollment with customized strategy and “done-for-you” management services.

Enrollment Marketing

Optimize enrollment marketing strategy and pipeline management using expertise and cutting-edge technology.

Development Consulting

Increase public awareness of your Mission and drive the acquisition of funds to support the growth of your programs.

Diversity & Inclusion

Strengthen your commitment to diversity, equity, and inclusion initiatives through consulting, training, and educational support services.

Customized Training

Sharpen your school's staff's skills in marketing, admissions, development, and leadership.

KNOWLEDGE. PASSION. INVESTMENT.
