FOR IMMEDIATE RELEASE

**Region's most preferred orthopedic practice celebrates 20 years of service**  
*2022 marks Sierra Pacific Orthopedics' anniversary as regional care provider*

FRESNO, Calif. (April 2022) – Sierra Pacific Orthopedics celebrates 20 years of providing dedicated bone, joint and muscle care to the residents of the Central Valley. Patients in need of specialized orthopedic care are encouraged to call the practice at (559) 256-5200 to schedule an appointment at their Herndon Campus at 1630 E. Herndon Ave. or their Spruce Campus Spine Center for back, neck and spine care at 1270 E. Spruce Ave.

Founded in 2002, Sierra Pacific Orthopedics has remained the most preferred orthopedic practice in the region. Their 26 orthopedic surgeons and specialists have combined their superior training and experience to treat a multitude of orthopedic conditions and injuries for patients in Fresno and the surrounding region. Additionally, every doctor at Sierra Pacific Orthopedics has advanced training in their respective field to offer expert musculoskeletal care as well as a multitude of in-house services.

Sierra Pacific Orthopedics proudly provides spine and nonsurgical spine care, shoulder and upper extremity care, hand, hip, knee, foot, ankle and lower extremity care. Their services also include sports medicine, total joint replacement and revision, physical medicine and rehabilitation, physical therapy and electrodiagnostic medicine.

“Our doctors and staff have remained proudly dedicated to providing excellence in orthopedic care for our patients since 2002,” said Sierra Pacific Orthopedics CEO Joe Clark. “It is an honor to celebrate 20 years of service to this community, and we look forward to continuing to meet the orthopedic needs of Fresno and the surrounding areas.”

To learn more or to schedule an appointment with the doctors of Sierra Pacific Orthopedics, please call (559) 256-5200.

As the premier orthopedic practice in the Central Valley and the region's most preferred orthopedic practice since 2010, according to independent market research, Sierra Pacific

Orthopedics and its doctors provide the highest level of bone, joint and muscle care. This includes treatment from experts specializing in the foot and ankle, hand, hip and knee, shoulder and upper extremity and spine as well as physical medicine and rehabilitation, sports medicine and total joint replacement. Sierra Pacific Orthopedics' doctors proudly serve as the official orthopedic providers for the Fresno State Bulldogs, Fresno City College Rams and Fresno Pacific University Sunbirds.
