What makes Mood-lites™ unique from other colored light bulbs? Mood-lites™ has a special coating that gives a ‘glow’ similar to that of a candle, as opposed to a brassy colored light. A part of the proceeds even go to a charity – find out more at www.ifred.org! So don’t be shy - bring the luck of the Irish in to your home with Mood-lites’ Renewal! Purchase 3 or more Renewal bulbs and receive 10% off your order plus FREE Shipping!
