MICS

"Job Scheduling Software Introduced by Five-Star Construction Industry Software Producer"

Thank You for using the "Q&A for SmartPR" by Xeal Precision Marketing.

Please contact Lisa Leutwyler at 1-800-838-6427, Option 2 to learn more about the BIS real-time construction accounting software. Below are ten suggested questions to get you started:

1. How has MICS become a leader in this type of software?
2. What is "Real-Time" Accounting and why is it important?
3. What kind of companies uses BIS?
4. Is BIS hard to learn and setup?
5. What do clients have to say about BIS?
6. What are the differences in the three BIS editions?
7. What modules are in BIS?
8. Can a five- to ten-person construction company justify the cost of this software?
9. What new features have been added to BIS?
10. What makes BIS the best value in construction accounting software?
