

# 2006 Awards CALL for ENTRIES

RECOGNIZING OUTSTANDING ACHIEVEMENT IN THE NATIONAL RETIREMENT HOUSING INDUSTRY

## PURPOSE

The 2006 NARA Awards will recognize those projects focused on meeting the demands of active, mature adults across the country. Projects will be reviewed and judged on their ability to meet basic project parameters of age-qualified housing, such as market demand, aging-in-place design, budget and services. Promotional materials will be judged on originality, design flair, creativity and ability to meet targeted objectives. (Age-qualified means that a community is designed at least partly with a 50+ person in mind and has features that appeal to an older consumer. Included, of course, are all communities restricted to people 50 and over).

## ELIGIBLE ENTRIES

To be eligible for the 2006 NARA Award, the age qualified community must have completed construction and be operational after January 1, 2006. Awards for the "Proposed Project" communities shall have completed the design phase of the construction documents or shall currently be under construction. Project owners, developers, architects, design professionals, operators, marketing consultants and contractors are welcome to submit awards applications. Award winners will be announced in November, 2006 at the 2006 NARA Conference to be held in Hilton Head Island, SC.

## DEADLINE

All entry applications, fees and photographs must be received not later than 12 noon on Tuesday, October 17, 2006. The deadline is final. To receive an official 2006 NARA entry packet, the entry form (appears at the end of this Call for Entries) and appropriate entry fees must be mailed in advance to NARA Awards, P.O. Box 11968, Charlotte, NC 28220. Please make entry fees payable to NARA. If you have any questions, call the NARA offices at (888)742-7362 or fax your inquiries to (704)364-6447. All entry materials will become the property of NARA and will not be returned.

## ENTRY FEES

\$200 per category per entry.

A separate entry form must accompany each submission.

## JUDGING

Each entry will be judged by a panel of distinguished and experienced members of the active adult housing, homebuilding and and/or retirement housing industry. Judges will consist of NARA participants and speakers who have been engaged in the industry. Gold, Silver and Honorable Mention Award winners will be announced and recognized at the 2006 NARA Conference at a reception.
