BCS ProSoft Named to Million Dollar Club and President's Circle for 2007

Sage Software Partner BCS ProSoft Receives Two Prestigious Awards

San Antonio, TX—November 2, 2007—BCS ProSoft, a National Partner for Sage Software, focusing exclusively on sales and support of products in the Sage Software family, including: Sage MAS 90, 200, and 500, Sage SalesLogix, and Sage Abra HRMS has been named to Sage Software's Million Dollar Club for 2007. The distinction is given annually to top ranking business partners who have exceeded one million dollars in business across Sage Software's product lines and solutions groups. This is the third consecutive year the company has achieved this status. Adding to this distinction is BCS ProSoft's inclusion in the Sage Software's President's Circle for the fourth year in a row. The President's Circle honors business partners generating the highest sales revenue during the previous fiscal year.

"Through the ebb and flow of the business management software reseller channel, Sage Software business partners continue to excel due to a keen focus on the customer," said Nina Smith, Sage Software president, Business Management Division.

"Throughout our organization, we focus on building successful client and business partner relationships," said Clark Haley, president of BCS ProSoft. "I believe that focus is behind our success. We're proud to be associated with an organization like Sage Software that also values its clients and business partners. We consider it an honor to be in the company of many of the nation's most successful business partners whose commitment to the Sage Software product family is evidenced by these awards."

"Our Million Dollar Club achievers for 2007 represent a group of highly successful businesspeople who have embraced a continually changing marketplace by delivering the combined products, services, and support their clients need to succeed. We congratulate BCS ProSoft for achieving Million Dollar Club status with their outstanding sales performance this year, and wish them continued success in 2008," said Doug Meyer, Sage Software president, Industry & Specialized Solutions Division.

Million Dollar Club winners will be recognized May 12-15, 2008 at the annual Sage Software Insights business partner conference that will take place at the Gaylord Resort and Convention Center in Washington, D.C.
