PROMETRIC: THE WORLD LEADER IN TESTING AND ASSESSMENT

With over four decades of experience and leadership, Prometric's widely respected programs have delivered fully integrated testing systems and psychometrically valid exams serving countless organizations worldwide.

When you are not quite sure about how to handle a potentially risky bar situation, you can count on The Ambassador Series for the solution. The Certified Alcohol Handler program is just one of many certification programs offered by Prometric, the global leader in testing and assessment.

Alcohol sales have a positive impact on the bottom line of a business – as long as regulations are strictly adhered to. The first line of defense in preventing injuries and lawsuits that can arise from poor judgment and non-compliance is at the point of sale.

Alcohol Handler certification is required throughout the majority of the United States. The Certified Alcohol Handler program provides bar owners, managers, bar tenders, servers, hosts and caterers with the knowledge and skills required to serve alcohol legally and safely.

THE CERTIFIED ALCOHOL HANDLER PROGRAM WILL TEACH YOU:

:: Responsibilities of the establishment, owner, and server to intervene in potentially "sticky" situations; safeguarding your patrons from risk and injury
:: Protect your business from potential Dram Shop lawsuits
:: Recognize the signs of excessive consumption
:: Employee violations and documenting incidents

WHY PROMETRIC IS RIGHT FOR YOU:

:: Certification may help contribute to lower insurance rates
:: Competitive pricing
:: Training materials that comply with national guidelines
:: Concise user-friendly materials
:: Programs developed with the adult learner in mind
:: Engaging graphics and activities
:: Internet or paper-based exam options
:: Course outlines allow instructors to tailor programs to jurisdictional or organizational requirements
:: Unsurpassed customer service
:: Quick turnaround
