SWK Technologies Is Top JobOps Producer For 2007

Livingston, NJ—March 13, 2008—SWK Technologies, Inc. today announced that it was named the top JobOps Revenue Producer for 2007. SWK Technologies is a Sage Software Select Business Partner and Developer specializing in delivering business technology solutions to small and mid-sized manufacturers and distributors. JobOps, published by Synergistic Software Solutions, LLC, is a powerful add-on job shop management solution for Sage MAS 90 and Sage MAS 200.

During 2007, SWK Technologies increased its JobOps client base by more than 75 percent and grew its Certified JobOps staff count to seven individuals, more than any other JobOps partner.

"SWK is extremely proud to be recognized as the leading revenue producer for the powerful JobOps Job Management Suite," said Pat Anson, executive vice president at SWK Technologies. "We have long been a strong advocate for this truly integrated solution and have developed a great working relationship with the team at Synergistic Software Solutions. We look forward to 2008 being a banner year for SWK and for JobOps."

"SWK is a leader due to their outstanding team and product knowledge for the flagship JobOps Job Management Suite," said Randy Stone, director of JobOps sales and business development. "They provide real knowledge and value to their customers that leverage the customers' investment in Sage MAS 90 and Sage MAS 200."

About SWK Technologies, Inc.

SWK Technologies, Inc. is an IT consulting company providing strategies and solutions to meet its clients' information and business management needs. The company has offices in Livingston, NJ, New York City, Long Island, Syracuse, Rochester, and Buffalo, NY. As a Sage Software Select Business Partner and Developer with the only Authorized Training Center in the Northeast, SWK Technologies offers best of breed solutions for accounting and business management, human resources and payroll, customer relationship management (CRM), job management, and warehouse management. Specializing in collaborative commerce—the communication and cooperation between suppliers and customers, SWK Technologies has developed a robust EDI solution that integrates seamlessly with the business management solutions it sells and supports. MAPADOC EDI (www.mapadoc.com) is used successfully by companies in dozens of industries trading with hundreds of different trading partners.
