

CUTSFORTH

THE POWER OF INNOVATION™

EASYchange® Online Removable Brush Holders

Increases Personnel Safety

- Easier “Rack In-Rack Out” Operation For Brush Changing Under Load
- Permanent Handle On Every Holder

Increased Reliability Addresses Common Brush Holder Problems:

- Carbon Deposits
- Poor Terminal Connections
- Brush Binding
- Spring Failure

Decreases Maintenance Costs

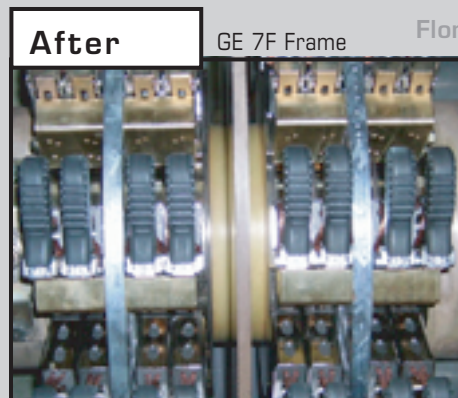

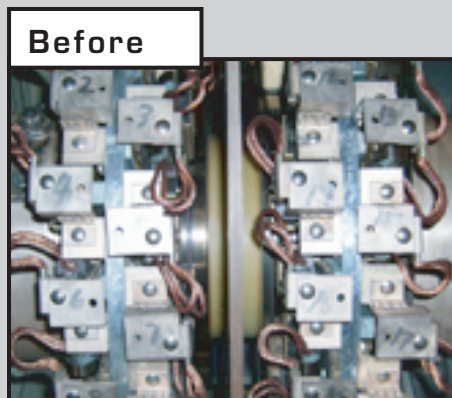

- Collector Ring Wear
- Photographing
- Vibration Related Problems

Over 6,000 EASYchange Online Brush Holders Currently In Service Worldwide

Call Us To Discover Why The EASYchange® Brush Holder Is a Better Option Than OEM and Other Competitors
