

### **Cloveer 8a Application Accelerator - \$279.00.**

Find out for yourself what makes Cloveer's product the #1 selling 8a Application Accelerator. No one makes it faster and easier than Cloveer!

- It walks you step by step through the process of preparing a 100% complete and regulatory compliant SBA 8a Application.
- It guides you through every form and supporting document required to be completed or provided.
- Along the way, it lets you know who within your business must provide each item, exactly what must be included, tips for compliance and issues to avoid.
- Over two dozen SBA acceptable samples and templates are included to take the guess work out of what is required, including the 2 year waiver, economic and social narratives, stock certificates, bylaws, operating agreements, history of the business, resumes and more.
- It shows you how to organize your 8a Application in the format that the SBA wants it. Every item and area within your 8a Application will be identified and separated using our proven method, so your SBA reviewer can find, review and approve your 8a Application fast.
