Why MegaMeeting.com?

MegaMeeting.com
Making Business *Personal*

We have the expertise and the solution

Given the number of choices available in video and web conferencing solutions, we'd like to point out a few of the things that make us special:

➡ **100% Browser-based** - With MegaMeeting, there is nothing to download and nothing to install in order to attend a meeting. All guests need is an Internet connection and a browser. Get MORE people into your meetings!

➡ **Live High Quality Video Feeds** - All MegaMeeting accounts allow live video streams with adjustable video qualities.

➡ **Works on Multiple Platforms** – PCs, MACs and LINUX machines.

➡ **True VoIP** - VoIP and text chat included at no additional charge. Integrated teleconferencing as well.

➡ **Screen/Application Sharing** - Show off PowerPoint Presentations, share images and documents, as well as browse the internet with guests.

Isn't it time you experienced MegaMeeting for yourself?

Every industry has their unique set of tools, but we have created a comprehensive set of tools that bare no industrial restrictions. We provide organizations of ALL shapes and sizes with 100% browser-based video conferencing solutions needed to excel and move past the sometimes overbearing challenges they may face.

Our 100% browser-based solutions work on ALL major operating systems – Windows, Mac & Linux. Our products provide universal access without the need to download, install or configure software. Our video and web conferencing products and services include powerful collaboration tools that accommodate robust video & web conferences, including advanced features such as desktop/application sharing, i.e. Word and Excel documents and PowerPoint presentations without the need to upload any files.
