Audience/target market for your book (50 word limit):

Projected Length (words or pages):

Central message of the book (100 word limit):

Book Outline/Table of Contents (100 word limit):

Book overview (150 word limit):

Your answer this question (250 word limit):

Economist and author Thomas Friedman wrote in the New York Times that the best way for America to get out of its economic problems is to “Invent, Invent, Invent.” What innovative ideas does your book contain that will help invigorate America’s economic recovery?

Send one hard-copy application (typed) and your first 50 pages of the manuscript by April 1, 2011 (midnight Pacific Time)to:

The Association for Creative Business Writing
109 Sierra Drive
Walnut Creek, CA 94596

Best of luck! Winners will be announced May 1, 2011.
No phone calls, please. More information: www.afcbw.com or director@afcbw.com.
