Affordable and Effective E-Learning Solutions!

Deliver Training For as Low as $15 Per Learner

Save Time and Money -
• No need to coordinate conflicting schedules. No need to pay for student travel. No need to pay rent for a classroom!

Training When and Where You Need It –
• Students take training at work…at home…anywhere they have an Internet connection!

Faster Learning and Better Retention -
• Training progresses as fast as the student…no waiting for other students or an instructor!
• Effective e-learning can increase retention by up to 40%!

Improved Tracking -
• Student activity can be tracked down to the finest level via your customized dashboards!

Simplified Training Management –
• Learning Management Systems that automate most of the training process!
