## Glass Fire Crystals

These highly reflective *Liqui-Crystals* light up the firebox and provide a very unique and active ember-like bed.

All Inspiration fireplaces come standard with Diamond **Glass Fire Crystals**.

Optional colors available for purchase: Ruby, Aqua Marine, Topaz and Onyx

## What is Gel Fuel?

Gel fuel is an environmentally friendly, non-toxic fuel that is safe to burn indoors or out. Gel fuel crackles just like a real fire! Each can burns up to 80 minutes and provides up to 9,000 BTUs of heat.

Gel fuel is available through your local dealer or at [outdoorrooms.com](http://outdoorrooms.com)

# Get Inspired

The Inspiration Fireplace is like no other fireplace you've seen. It is the **first ever UL listed gel-fueled fireplace** and is also one of the most economical fireplaces on the market today.

This versatile, easy-to-use fireplace can be installed anywhere you want – indoors or out. In just a matter of minutes, you will have a beautiful, dancing flame and a warm, cozy fire to enjoy.

Get inspired today with the Inspiration Fireplace.

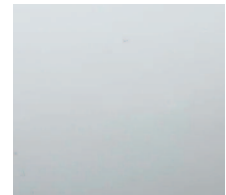

*Choose from 3 beautiful finishes.*

Brown Sedona, INSP-SED

Black Silver Vein, INSP-SV

Stainless Steel, INSP-SS

**NOTE:** Printing color may vary slightly from actual product.

## Clean-burning Gel Fuel

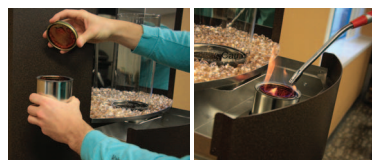

The *Inspiration Fireplace* runs on a 13oz can of UL listed *Venturi Gel Fuel*. It is an all natural, gelled alcohol that is 100% efficient and ecologically sound. It doesn't leave any soot, smoke or ashes behind so there's no messy clean up.

## Lighting the Inspiration gel-fueled fireplace

**1** Place thumbs on sides and apply pressure to pull open drawer.

**2** Tear off gel fuel label, pop open lid, place in drawer and light with a match or lighter.

**3** Wait 10 seconds for flames to rise, close drawer slowly.
